ONEWAX

SURF PREP, SIMPLIFIED

Surf ready.
Less mess.

A fresh take on the everyday surf-wax routine.

Meet OneWax

OneWax is a single-use surf-wax concept built around convenience. It is designed for surfers who want a simple, grab-and-go option without keeping a traditional wax bar in a hot car or digging through a sandy gear bag.

01

Grab & go

A straightforward option for quick surf-day prep.

02

Less hassle

Skip the worry of a traditional wax bar softening in a hot car.

03

Surf with purpose

A project shaped by convenience, community, and care for the coast.

More than a surf essential

OneWax is being developed with environmental responsibility in mind. The project also centers community impact through volunteer work and support for surf therapy.

EASIER PREP • COMMUNITY MINDED • OCEAN CONSCIOUS

Ready to rethink your surf routine?

Visit the OneWax website to learn more, get involved, and follow the project.
